Sports and Supercars Insurance

We love cars that have their own unique features and characteristics, and by their very nature it can be difficult to place them in the standard motor insurance market. Reis can arrange road insurance to include track day cover for your sports car or high performance supercar. We can also provide laid up cover if your pride and joy is garaged over winter.

Modified Car Insurance

Reis can arrange specialist motor insurance for seriously modified road cars – ideal if you attend show and shine competitions, exhibitions or specialist shows. We know that because of the passion that goes into your pride and joy and the modifications you make, you'll take extra care when driving it. The cover we offer supports unlimited modifications, agreed values and cover for six track days is included.

Multi-Vehicle Insurance

If you have more vehicles in your household than drivers, you may find yourself with endless policies and managing renewals can become a handful. We can arrange for one multi-vehicle policy that covers them all. There's no need to cancel existing policies or wait until they lapse, as vehicles can simply be added once cover expires, and with upfront fixed quoted prices it means there will be no surprises when you come to add them in.

Track Day Accident Damage Cover

Our Track Day cover means you can insure against accident and fire damage to your vehicle whilst out on track. The cover will help to mitigate the financial consequences of a serious loss, allowing you to have peace of mind and enjoy your track day experience!

Personal Accident Cover

Personal accident insurance can provide cover for temporary or permanent disability should you suffer injury in pursuit of your passion. We can arrange annual and bespoke one off packages to include loss of income and medical repatriation from territories outside of the UK.

Track Day Public Liability

We can offer public liability insurance for individuals and businesses that need this type of cover to protect against third party injury and property damage to the track.
